**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition not only gives consumers like me a choice of what ISP we can choose, but competition improves the quality of service from the ISPs. I, as a consumer want high quality internet at a reasonable price, and I want to be able to choose my ISP. Please make sure that we have a lot of internet competition, because the internet is such an important entrenched aspect of life for all Americans and the entire world for these days.

Thank you very much.

Matthew Knell
